

How to create an account in Sketch Engine

Steps to create an account in Sketch Engine

1. Go to <https://auth.sketchengine.eu/>
2. Opt to 'Sign up'

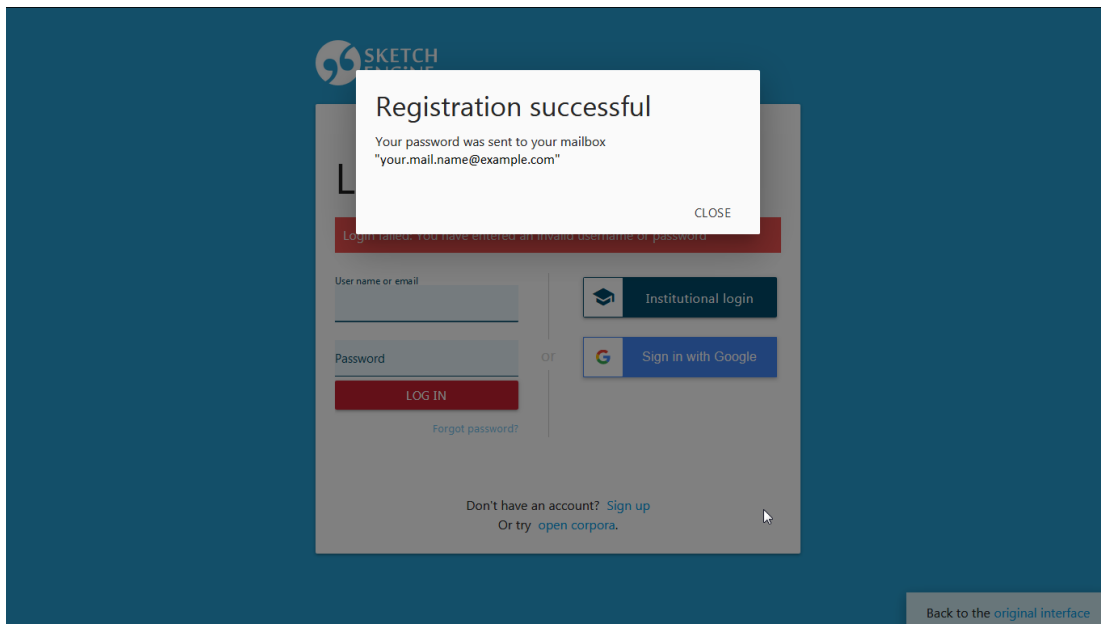

3. At 'registration type' check 'Join a multiuser account'

4. Fill the registration form
 - a. Enter the user name
 - b. Insert your name and e-mail address
 - c. Select your country
 - d. Enter the key 'ESLLI2018' in the box below.
5. Select agreement options
6. Click on sign up and your password will be automatically sent to the e-mail address you have entered.

The screenshot shows a web browser window with the URL <https://auth.sketchengine.eu/#register/form?form=site>. The page title is "Sign up" and the subtitle is "Join a multiuser account". The registration form includes the following fields: "User name", "Email", "First name", "Last name", "Country" (with "Bulgaria" selected), and "Site licence key". Below the form are three checkboxes for terms and conditions: "I agree to the Terms of use", "Let me know about new corpora and functions", and "I agree to the processing of personal data". At the bottom of the form are "BACK" and "SIGN UP" buttons. A red box highlights the form fields, and a red circle with the number "4" is next to it. Another red box highlights the checkboxes, with a red circle and the number "5" next to it. A red box highlights the "SIGN UP" button, with a red circle and the number "6" next to it. A "Back to the original interface" link is visible in the bottom right corner.
